

FISCAL NOTE

HB 50 - SB 52

March 4, 1997

SUMMARY OF BILL: Increases service commissions from 10% to 15% for court clerks in counties with a population over 700,000 for receipt and payment of all taxes, fines, forfeitures and fees.

ESTIMATED FISCAL IMPACT:

Decrease State Revenues - Exceeds \$400,000

Increase Local Govt. Revenues - Exceeds \$400,000

Assumes a decrease in state revenues since the affected court clerks would be remitting 5% less for certain taxes collected to the state. Such decrease is estimated to exceed \$400,000.

Also assumes an increase in local government revenues to the extent that the county affected by the bill is entitled to receive 15% instead of 10% service commission. Such increase is estimated to exceed \$400,000.

This estimate assumes collected sales tax payments of approximately \$8,124,000 would be collected and forwarded by the affected county, of which an additional 5%, or \$406,000, would be retained under the provisions of the bill.
